

Say hello to your metabolic health App Polyphonic Care by Dr Phil Lockie

Your personalised education resource and surgical companion, created to inform and support you

Polyphonic Care is a tool created by Dr Phil Lockie and his trusted team to help you on your health journey. The app provides access to educational materials you can read, listen to, or watch. You will find useful checklists, frequently asked questions, and a timeline that explains your treatment pathway and what to expect at each step. It also includes information about your options with Dr Phil Lockie and Team.
